

DRIVING POLICY

Entrepose Delattre Bezons Nigeria Limited (Ent DBN) is committed to providing safe place and safe conditions of work for all its employees. Statistics have shown that road transport operations are a leading cause of death and injury, both on and off the job. Ent DBN shall adopt and implement this Driving Policy to protect its employees, subcontractors and visitors from the dangers of road transport operations.

Under the framework of this Policy, Ent DBN is committed to ensure that:

- ✓ All vehicles owned, operated or leased by Ent DBN are kept in good condition and are inspected and maintained regularly.
- ✓ Each driver verifies the status of his vehicle before driving it.
- ✓ All drivers and passengers fasten their seat belts before the vehicle moves.
- ✓ Drivers adopt a defensive driving approach while complying with all relevant regulations
- ✓ Only who hold a valid driving license and have passed a Defensive Driving course will drive on public roads.
- ✓ All vehicle accidents and near misses (like any other non-vehicle incident) are duly and timely reported and investigated,

This Driving Policy will be communicated and shall apply to all drivers, employees or sub-contractors, driving any vehicle for, or on behalf of Ent DBN. Adherence to this Policy and Procedures is a condition of employment. Impact of this policy on Ent DBN road safety performance will be monitored.
